Course Content

- Module I (10/15): What is Dementia
- Module II (10/22) Transitioning from Independence to Interdependence
- Module III (10/29): Functional and Behavioral Changes of Dementia
- Module IV (11/5): Dementia Treatment Options and Risk Reduction
- Module V (11/12): Maintaining Your Own Health
- Module VI (11/19): Dementia and Legal Planning Issues

“Caregiver College” will be provided as a live-broadcast for online attendance only. The ability to access Zoom through a computer, tablet or smartphone with a reliable internet connection is necessary to attend.

Limited in-person attendance may become available as restrictions lift in response to COVID-19. If you are unable to attend virtually, we will place you on a waiting list to attend in-person should the opportunity become available.

A series of six lectures will be provided for caregivers of persons with memory disorders. Sessions are designed to improve caregiver understanding of different aspects of dementia care. The course will be led by Margaret Noel, MD with guest speakers; MemoryCaregivers Network Coordinator, Mary Donnelly and attorney, Caroline Knox .

Related course materials will be provided via email. For a physical copy of the materials, you may reserve a binder for pick-up at our office for \$20 or we can mail one to you for an additional \$10 with request for mailing required two weeks before the course starts.

IMPORTANT: In an effort to evaluate course effectiveness, attendees will be expected to complete a 3-part participation survey: one prior to, one immediately post, and a final several months after the course.

Registration is required. You must register by contacting our office at (828) 771-2219.
