

Care Consultation Program

Service to help caregivers of patients with Alzheimer's and other related types of dementia to locate suitable resources to care for their loved one.

Caregiver Consultation Services are available for a one-hour, once only, meeting with a MemoryCare-trained care consultant and licensed counselor to review caregiver needs and provide support and guidance. Consultation is for 1) families who may not need MemoryCare's more comprehensive services or 2) families who need help before enrollment.

Caregiver Consult Services can include the following, but are not limited to:

- Finding resources and respite services
- Handling dementia-related behaviors
- Evaluating facility care
- Reducing risk of elder fraud
- Finding dementia-appropriate activities
- Communication strategies

"The most important gift of all was her caring support and understanding of the encompassing changes in my life due to the effects of dementia on my loved one."

~ Amy S.

\$55/hour; fee waivers provided when needed

Pam Lessig, MA, MBA, LPC, is a Geriatric Caregiver Consultant for families in need of resource guidance related to caregiving for someone with dementia.
